Elizabeth:

Steve would like to set up a conference call with me, Matt Dietrich, Lou Jannazo, and Megan McClory on Wednesday. Can you schedule this? He may ask you also, I'm just trying to be proactive.

Thanks,

I have some thoughts and background knowledge on the project. I can explain. Can we do a conference call on Wednesday?

Nyla,

Thanks for all the information.

All,

I have attached my evaluation sheet complete with a list of questions to ask Mr. Drake. Doesn't sound like this is what the program is about, at least not until and unless Beard gets its financing and can actually build the coal to fuel plant.

Thanks for the opportunity to comment.

Regards,

Lou
