I believe John had a recent conversation with Kimberly Gibson about this. Let's check in with him before moving on a meeting.

Christi and I are at our wits end in trying to get an incentive package to induce AMP Ohio to build a plant in Meigs county instead of buying power on the grid.

I would like to call a meeting (or have John convene a meeting) and ask Development to tell us about their incentive plan.

Can we do this? I know they are very busy with their strategic plan, It has dragged on too long.

Can you tell me about the incentive package that you have put together for this important project?

We had a game plan two weeks ago and we want to hear the details.

Are we meeting with DOD on Tuesday? Can we have them brief us then?
