Subject: Belpre Riverfront Park

Fred: I am asking Julie to re-send the Riverfront information to you. Not sure the fax we sent early July was legible -fairly dark. Julie will stick a hard copy in the mail to you today, August 11, 08. Please watch for this to come your direction. It will include an architectural drawing on the finished project.

Thanks for al of your help on this project.....I am having a conversation with Belpre's Mayor today regarding this.
