Hey Speaking of Amp-

I am speaking to A representative of Voith Siemens who will be supplying Amp-Oh with the turbines for their Hydro Projects.

They are interested in some of the stimulus money. Remind me again what their first initial steps are to getting this application process rolling....I believe a letter of intent to AQDA correct?

Todd:

Hey can we talk about where the status of financing through your camp may lie at this point for AMP-OH? Are we

closer to making a final decision on this? Numbers and all?

Thanks....Christi
