**ENVIROSAFE SERVICES OF OHIO, INC.
PUBLIC NOTICE**

In accordance with OAC 3745-50-51(D)(3)(a), Notice is hereby given that Envirosafe Services of Ohio, Inc. has submitted a Class 3 permit modification request to the Ohio Environmental Protection Agency for a modification to its existing Ohio Operating Permit and Parts A and B Permit Application. The purpose of the modification request is to modify the design capacity of Cell M in order to increase the volume of waste materials that may be disposed in the landfill cell and to extend the time period over which the landfill cell will remain commercially available. To accomplish the objectives of this modification request, certain Drawings are being revised, calculations demonstrating that cell construction factors remain within acceptable safety factors are being submitted and parts of the Ohio Operating Permit and the Permit Application, including some Appendices, are being modified. The required 60 day public comment period shall begin on the date of the publication of this notice in The Toledo Blade. All comments should be addressed to:

Ohio Environmental Protection Agency
Lazarus Government Center
122 South Front Street
Columbus, Ohio 43215
Attention: Mr. M. Lonnie Terry
