

Bike Ride for Clean Air in Cleveland

Thank you for joining *Neighbors of Mittal Steel* and Ohio Citizen Action for a bike ride to benefit clean air in Cleveland. These groups are working to get Cleveland's biggest polluter to reduce their asthma- and cancer-linked pollution. Mittal Steel has more neighbors than any other steel mill in the country: 390,000 men, women, and children along with half of Cleveland's public schools reside within five miles of the facility.

We will meet at 10:00am on Saturday, April 28, 2007 at Lincoln Park in Tremont for a ride past Mittal Steel and Steelyard Commons. Each rider is asked to raise \$50 from sponsors. The money will pay for yard signs *Neighbors of Mittal Steel* is putting up around Cleveland. Bring the completed form and donations with you on the day of the event. Please make checks payable to Ohio Citizen Action Education Fund. *Thanks.*
