

Ohio Citizen Action 35th Anniversary

Oct. 16 7pm

**St. John's Episcopal Church Fellowship Hall
(behind the church)**

700 High Street, Worthington Ohio 43085

Ohio Citizen Action is 80,000 Ohioans who have joined together to prevent pollution. Non-profit and non-partisan, Ohio Citizen Action was founded in 1975. The organization's Money in Politics Project is the authoritative source for data and analysis of the role of big money in Ohio politics.

Ohio Citizen Action practices door-to-door democracy across the state. We combine original, news-making research and an extraordinary ability to stay in touch with members both door-to-door and on the phone. Citizen Action members make the most of whatever time they can spare: signing petitions, writing letters, making phone calls, talking to neighbors, posting yard signs, or speaking out at community meetings.
